

4D Training

US Law and Legal System Intermediate / follow on

Who would benefit?

Anyone whose role involves regular contact with risks that might result in exposure to US courts even if the risk itself has no link with the US.

Objective

This course gives attendees more insight into how the Legal system works in US.

Content

- State versus Federal systems – what cases will automatically be one or the other
- Arbitration under US Arbitration rules
 - Differences with English system including appeals
- Punitive and extra contractual damages
 - Differences between the various states
- Fair Claims handling regulations
- Juries
 - Possible to avoid?
 - If not, what options available for identifying likely outcomes
- Choosing the lawyer
 - Can a lawyer work anywhere?
 - How to get temporary clearance
 - Why might it not be a good idea?
- Alternatives such as Mediation/JAMS
 - Is the concept the same as in England?

Duration

Half day

Pre-requisites

Some prior knowledge of US legal system useful
